

Motor Extension Cable
20 m / 65 ft
Item# 19-001585

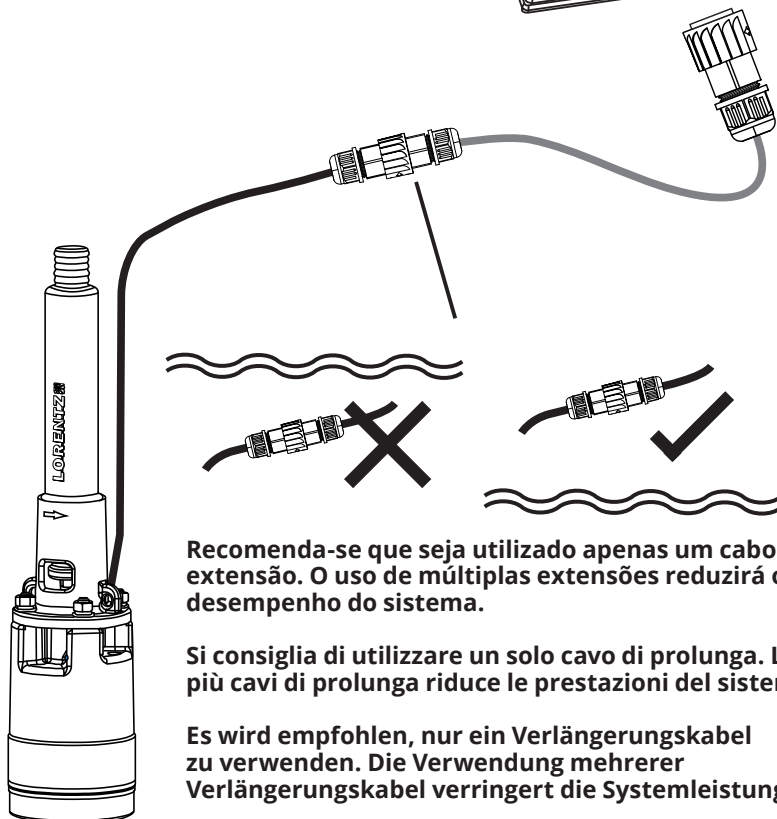

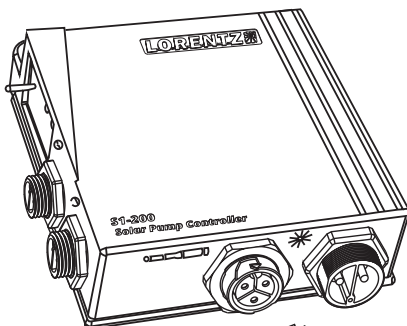

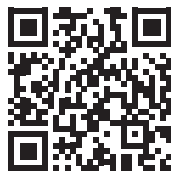

We recommend to use one extension cable. Using multiple extension cables will reduce system performance.

Nous vous recommandons d'utiliser un seul câble d'extension. L'utilisation de plusieurs câbles d'extension réduira les performances du système.

Se recomienda utilizar una sola extensión de cable. El uso de varias extensiones reducirá el rendimiento del sistema.

Motor Extension Cable
20 m / 65 ft
Item# 19-001585

Recomenda-se que seja utilizado apenas um cabo de extensão. O uso de múltiplas extensões reduzirá o desempenho do sistema.

Si consiglia di utilizzare un solo cavo di prolunga. L'uso di più cavi di prolunga riduce le prestazioni del sistema.

Es wird empfohlen, nur ein Verlängerungskabel zu verwenden. Die Verwendung mehrerer Verlängerungskabel verringert die Systemleistung.
